ST. PATRICK PARISH 5-YEAR VISION

That we would be known as a parish ...

- Where all are actively engaged on a weekly basis in heartfelt celebration of the Mass and other worship opportunities.
- Where all feel warmly welcomed.
- Where all are well grounded in their faith and able to share the Good News with unbelievers, the unchurched, and those of different faith traditions.
- Where Stewardship of Time, Talent and Treasure as a way of life is actively promoted.
- Where Family Life is actively promoted and supported.
- Where a wide variety of Pastoral Care needs are met.
- Where parishioners are educated about Social Justice issues and Christian Service is promoted.
- Where Catholic Faith Formation and Education (Adult Faith Formation, St. Patrick School, Religious Education, and Youth Ministry programs) are promoted and supported.
- Where active planning for the very real future with fewer ordained clergy is a priority.
- Where a wide variety of ministries under the direction of professional staff persons is financially supported.
